

Coronavirus (COVID-19)

In response to the latest government advice we have had to consider the impact on the services we provide. As a result, all Council meetings have been postponed until further notice. This includes the Annual Parish Meeting scheduled for 27 April 2020.

The Council Office is now closed. However, residents can still contact the Council by calling 01594 842234 or emailing town.clerk@lydneytowncouncil.co.uk or assistant.clerk@lydneytowncouncil.co.uk

All our play areas are now closed, however the sports side of Bathurst Park and Lydney Recreation Ground are open, but residents are advised to adhere to government advice regarding social distancing and gatherings.
