

YORKLEY COURT FARM S106 FUNDS

The Yorkley Court Farm Section 106 Fund offers not for profit voluntary and community groups - both constituted and non-constituted – in the areas of West Dean Parish Council and Lydney Town Council surrounding the Solar Farm Development in the designated area the opportunity to apply for one off funding to help develop stronger and more cohesive communities. Small informal groups (a minimum of three people) may be considered. This approach is aimed at building capacity of the community rather than directly delivering services. Projects should clearly be able to show that there is local value and leadership in them and demonstrate its importance to the community.

This scheme is being administered by our friends and neighbours in West Dean Parish Council, but applications are welcome from groups in Lydney.

Potential applicants should refer to the Grant Guidance notes: [S106 Grant Guidance Notes](#)

The grant application form can be downloaded here [S106 Grant Application Form](#). When completed, the form should be emailed to the Clerk of West Dean Parish Council admin@westdeanpc.org.uk
